

We come together as the body of Christ, an expression of God's grace in this community. We are bound together in God's steadfast love and in our mutual love and support for one another. We honor a special commitment to provide nurture, support and encouragement to students. Guided by the Holy Spirit, we seek to live with compassion, to work for justice, to integrate faith and learning and to celebrate the gift of our life together. Since God's love excludes no one, our mission is to be inclusive. We trust that in God's time and by God's grace, God will destroy all barriers. We resolve to erect no barriers while working to overcome existing ones. Recognizing that we do not possess all the truth all the time, we affirm a variety of expressions of life and faith. This is an open church. You are welcome here.
